EXPERIENCE

Leadership & Technology Teams, Platinum Edge Tutoring, Brooklyn Heights, NY June 2018 — Present

- Collaborated with backend web developer to improve student-side experience using [MathJax](#) and [Pandoc](#)
- Produced instructional YouTube videos for students with geographical barriers to access
- Taught SAT and SHSAT students on site, deconstructing difficult problems into simple, repeatable processes
- Managed summer intern cohort to create an SHSAT test prep book using \LaTeX , facilitating instruction for future tutors

Regents and SAT Tutor, Khan's Tutorial, Richmond Hill, NY March 2017 — November 2017

- Achieved *Instructor of the Month Award* in August 2017 for motivating and guiding struggling students to success in Regents examinations
- Increased average SAT scores of 15 students upwards of 100 points within 5 weeks (30 hours)
- Promoted family involvement using in-depth conferences to break down long-standing communication gaps

Creative Services Intern, Rebecca School, New York, NY July 2017 — August 2017

- Assisted in documenting standard procedure for company trainees by editing videos using Adobe Premier CC
- Created, edited, and published digital images and print documents for distribution on the company website and on fliers using the Adobe Creative Suite
- Overhauled the text of the company website for clarity and consistency using Wordpress, HTML, and knowledge of journalistic writing conventions

Living Latin in Rome Fellow, Paideia Institute, Rome, Italy July 2016

- Awarded a merit scholarship to tour and study in Rome, Italy for 16 days of immersion in Roman culture, arts, and architecture
- Read and translated Latin passages from Ancient Roman authors such as Ovid, Cicero, and Virgil
- Spoke and performed in Latin for other members of Living Latin in Rome at the Paideia Institute's venue
